

Insist on This Label when you buy roofing

Roofing quality cannot be determined in advance by any kind of tests, no matter how scientific, and in order to protect you from taking such risks we attach this label of quality to every roll of our highest quality Roofing, giving the purchaser a definite guaranteed service, backed by the largest Roofing and Building Paper Mills in the World. You get this label only when you buy

Certain-teed

Many cheap roofings bear labels that were formerly put on better goods—some manufacturers and some jobbers cannot meet keen competition, so cut the quality, but use the same label. Such labels are merely charged for roofings of lower quality.

Roofing

1-ply guaranteed 5 years
2-ply guaranteed 10 years
3-ply guaranteed 15 years

Certain-teed Roofing has made good on the roof for many years. Every fifth roll of Roofing made in the United States and Canada bears the Certain-teed label. By reason of our large volume we can make the best quality, but use the same label. Such labels are merely charged for roofings of lower quality.

Vernon Lee has returned from Brightbrook hospital where he was operated on for adenoids.

MANY COMPLAINTS HEARD

This summer seems to have produced an unusual amount of sickness. Many complain of headache, lame back, rheumatism, biliousness and of being "always tired." Aches, pains and ill caused by the kidneys failing to do their work and throw the poisonous waste from the system yield quickly to Foley Kidney Pills. They help elimination, give sound sleep and make you feel well and strong. They are tonic in action. C. C. Bingham.

Ad-readers know that this is a particularly interesting month with the stores—that, for clearance and other urgent purposes, merchants of

WEST BARNET.

(Mrs. L. H. Thornton, correspondent.)

H. Pitts in St. Johnsbury last Sunday.

James Rock and wife motored to Morrisville last Sunday.

INTEREST IN STATE FAIR

Boards of Trade and Other Organizations Planning to Visit the State's Annual Exposition.

Interest in the Vermont State Fair to be held at White River Junction September 14, 15, 16 and 17 is being shown throughout the state.

With the indications that the coming fair will excel all previous exhibitions a manifest desire to visit the fair is asserting itself among the organizations of the state. Especially true is this of the many boards of trade. These organizations are planning automobile trips to the fair, taking in the cars members of the organizations, as well as members of civic bodies.

On Tuesday, September 14, the opening day of the fair, the citizens of the town of Hartford, through James A. Stacey will present the new public service building, now about completed, to the State of Vermont, through the State Fair commission, and the secretary, A. C. Hurd, of the Windsor County Y. M. C. A. will present the furnishings and equipment of the building to the state.

President James B. Estee of the commission will accept the gifts for this state and the commission. This building is free to the public, planned to provide many comforts and it is believed it will fully be appreciated.—
